**NBME’S OPPOSITION TO PLAINTIFF’S MOTION  
FOR LEAVE TO FILE SUPPLEMENTAL DECLARATION**

Subsequent to briefing and oral argument, Plaintiff on December 21, 2016 filed a motion for leave to file another declaration in support of his motion for a preliminary injunction. See ECF # 24. Plaintiff filed additional attachments to this motion on December 22, 2016, ECF #25, and the motion was modified by another filing on December 27, 2016.

Because the Court has denied Plaintiff’s motion for a preliminary injunction, see ECF # 26 (December 22, 2016), Plaintiff’s motion to file a supplemental declaration should be denied as moot.

Dated: January 4, 2017

Respectfully submitted,

/s/ SUE ERWIN HARPER
